Capper verpakkingen

In ons standaard assortiment capperverpakkingen bieden wij veel verschillende soorten aan. Alle verpakkingen zijn voorzien van een fotokaart met daarop alle informatie om een zo goed mogelijk bloeiresultaat te krijgen. De bloembollen zijn verpakt in folie. Dit folie zorgt ervoor dat er voldoende ventilatie in het zakje is waardoor de kwaliteit van de bloembollen optimaal blijft. De bloembollenzakjes worden verpakt in dozen die op zowel euro- als blokpallets gemakkelijk en effectief te stapelen zijn. Zo wordt de ruimte voor het transport optimaal benut. De bloembollenzakjes zijn ook op rekken te leveren. De dozen en rekken kunnen direct na aankomst in de winkel gezet worden. Op de voorzijde van de doos is een capper gemaakt waardoor er een mooi geheel ontstaat. Door de capper kunt u de bloembollenzakjes mooi presenteren. Let vooral op ons Premium assortiment in de groene capper.

Showdozen assortiment

In ons standaard assortiment showdozen is er een ruime keuze aan voorjaarsbloeiers, zomerbloeiers, vaste planten en groenten. De showdozen hebben allemaal een afmeting van 34 X 77 cm en verschillen alleen in hoogte. De producten zijn zo verpakt dat de kwaliteit optimaal blijft. De showdozen kunnen direct na ontvangst bij de afnemer in de winkel gezet worden. Door de deksel te verwijderen en de display die in de doos zit rechtop te zetten, krijgt u een zeer mooie presentatie.

Houten kisten met display

In ons standaard assortiment houten kisten met display, bieden wij kisten in verschillende maten aan. Deze kisten zijn geschikt voor zowel europallets als blokpallets. Ook zijn ze stapelbaar waardoor het transport economisch en dus optimaal benut wordt. De bloembollen zijn verpakt in gaasballen of folie. Deze verpakking geeft goede ventilatie waardoor de kwaliteit van de bloembollen gewaarborgd blijft. Uiteraard heeft elke verpakking een label met relevante informatie.

De houten Economy kisten kunnen direct na aankomst in de winkel worden gezet. De display met foto aan de voorkant kan eenvoudig bovenop de kist worden geplaatst waardoor de bloembollen mooi gepresenteerd worden.

Voor alle producten geldt dat u deze af kunt halen bij Van Geest Nurseries in Lisse. Indien gewenst kunnen wij ook het transport voor u verzorgen.
